

WEST HALL HIGH SCHOOL

Invites all WHMS students and
their parents to the
**PROGRAM OF CHOICE
PARENT/STUDENT NIGHT**

October 25, 2022 • 6:00PM
WHHS Learning Commons

class
of
2027

The i2 program is for 9th and 10th grade students to learn how to critically and reflectively think while being a part of a close knit group with a strong support system of teachers and coordinators. Students actively participate in service community-related opportunities, as well as enrichment activities that lead to the development of a driven, academically-prepared student. Students will participate in team building activities while being prepared for future courses such as AP, IB, or DE.

Apply now at: <https://tinyurl.com/i2app22-23>

Come and find out why you
should start high school in the
i2 program at WHHS!
